I understand and certify that participation in YMCA Camp Reed and its activities is completely voluntary and I have had the opportunity to familiarize myself with the camp program and activities in which my child/participant will be engaging. I recognize that certain hazards and dangers are inherent in Camp Reed programs and particularly, but not limited to, the activities of archery, arts and crafts, BB marksmanship, biking, boating, day and night hiking, horse back riding, pottery, high and low ropes courses, rock climbing wall, rappelling, riflery, sports, swimming, waterfront games, and out of camp overnight trips. 13-14 year old campers may take a 20-mile overnight bike trip which travels on public roads. The CIT bike trip is 300 miles also on public roads. All activities are more fully described in the YMCA Camp Reed Parent Handbook or applicable CIT information, which I agree to read. I acknowledge that although Camp Reed has taken safety measures to minimize the risk of injury to camp participants, Camp Reed cannot insure or guarantee that the participants, equipment, premises, and/or activities will be free of all hazards, accidents, and/or injuries. I understand that it is my responsibility to provide insurance for my child. I further recognize the importance of knowing and abiding by Camp Reed's rules, regulations, and procedures for the safety of camp participants.

This health history form is correct and complete as far as I know and it is my opinion that the applicant is physically, emotionally and mentally able to engage in all camp activities, except as specifically noted on the reverse of this form. I hereby give permission to the camp to provide routine health care, dispense prescribed medications, administer over the counter medications and seek emergency medical or dental treatment including ordering x-rays or tests deemed necessary by the health care providers. I agree to the release of any records necessary for insurance purposes. I give permission to the camp to arrange necessary transportation. In the event I cannot be reached in an emergency, I hereby give permission to the medical provider selected by the camp to secure and administer treatment, including hospitalization, for the person named above. This completed form may be photocopied for trips out of camp.

I agree to allow the YMCA of the Inland Northwest to use my child's/participant image for publicity and marketing.

If there are any changes to this form, I agree to provide the camp nurse with the updated and accurate information IN WRITING at the time of check in.
